**Re: US Patent Application no. 10/722,981**  
**In the name of Humberto Urriola & Christian Urriola**  
**Entitled: Transport Corridor Drainage System**

Dear Sirs,

We refer to the examiner's report dated 21<sup>st</sup> September 2005. We have in accordance with the examiner's suggestion deleted claim 1 & 3 and have introduced a new claim 16, which is claim 3 and claim 1 combined.

Additionally we have deleted claims 11 & 12 and have amended claim 15 in light of the examiner's objection to the term "such as" in claim 3.

We trust that the present application will now proceed to acceptance.

Yours faithfully  
Astral Property Pty Ltd
